STANDARD TERMS AND CONDITIONS

1. **Term of Agreement; Termination.** The term of this Agreement shall begin as of the Effective Date and shall continue on a month to month basis until: (a) terminated by either party immediately for cause, if the complaining party first notifies the other party in writing and allows a reasonable opportunity, not to exceed ten days, for cure; (b) terminated by either party without cause upon 30 days prior written notice (the “**Notice Period**”), which termination notice may be withdrawn by the terminating party within the Notice Period; or (c) upon completion of the Advisory Services. Client shall compensate Advisor for any Advisory Services performed through the effective date of termination in the amount and as provided in Exhibit A.
2. **Independent Advisor.** The relationship created by this Agreement is that of independent contractors and nothing in this Agreement shall be construed as constituting Advisor an employee or agent of Client for any purpose. In addition, this Agreement shall not be construed as creating any employment relationship, partnership or joint venture between Advisor and Client. Advisor shall be responsible for all life, health or disability insurance; federal, state or local withholding taxes; unemployment insurance benefits; social security; worker’s compensation and similar expenses and/or deductions based on performance of the Advisory Services for Client.
3. **Deliverables; Delivery.** Under this Agreement, Advisor may prepare and periodically deliver to Client certain software, writings, reports, analyses, models, pictorial diagrams, charts, etc., either in tangible or digital form, including without limitation those deliverables listed in Section A (collectively “**Deliverables**”). No Deliverables or any related documents, whether tangible or digital, as prepared by Advisor under this Agreement shall become the property of Client. Delivery under this Agreement means delivery to the authorized contact or delivery location identified in this Agreement. Client may upon reasonable prior notice: (a) replace its authorized contact, (b) cancel or reschedule a delivery date, or (c) change the delivery location. If deliveries under this Agreement are made to a private location, Advisor shall maintain the confidentiality of any such Deliverables until the earlier of: (i) one year from the Effective Date; or (ii) the date Client makes such Deliverables available to the public, whether in connection with a token sale or otherwise.
4. **Confidentiality; Proprietary Rights.** (a) As used in this Agreement, “Confidential Information” means any confidential or proprietary information identified in writing as confidential or proprietary that is disclosed by either party (the “**Disclosing Party**”) to the other party (the “**Receiving Party**”) during the term of this Agreement, whether of a technical, business, or other nature (including, without limitation, writings, trade secrets, know-how and information relating to technology, business plans, promotional and marketing activities, finances and other business affairs of the Disclosing Party). Confidential Information will be marked as such and may be in digital form or contained in tangible materials, such as writings, drawings, models, data, specifications, reports, compilations and computer applications. Confidential Information shall not be: (i) information already known to the Receiving Party, (ii) information in, or that becomes in, the public domain, or (iii) information acquired by the Receiving Party from a third party entitled to disclose such information. The Receiving Party agrees to maintain the confidentiality of information designated by the Disclosing Party as confidential in the manner provided in this Section 4, during and after the term of this Agreement.
 (b) None of the Deliverables shall become the property of Client and Advisor may, in its discretion, make all Deliverables available to the public at the time provided in Section 3.
 (c) Nothing in this Agreement shall be construed as granting, either expressly or by implication, estoppel or otherwise: (i) any license to Client regarding any patent, trademark, copyright or other intellectual property now or later owned or controlled by Advisor; or (ii) any license to Advisor regarding any patent, trademark, copyright or other intellectual property now or later owned or controlled by Client.
 (d) The provisions of this Section 4 shall survive the termination of this Agreement or the completion of Advisory Services under this Agreement.
5. **Copyrights.** (a) None of the rights (including any copyrights) and title to Deliverables under this Agreement shall be considered works made for hire, whether Deliverables are in digital or tangible form, and regardless of the medium in which Deliverables are expressed. To the extent that any Deliverable may by operation of law become works made for hire, the author of such Deliverable shall apply, and hereby grants, a license to it so that such Deliverable shall be accessible to the public. The authors of any such Deliverable shall execute and permit

Advisor to file all documents reasonably necessary to enable the public to access such Deliverable at the time provided in Section 3, whether such filing is made in the United States of America, its territories and possessions, or elsewhere in the world.

(b) Each party agrees that the other party would be irreparably harmed by such party's breach of this Section 5 or Sections 4 (Confidentiality; Proprietary Rights) or 6 (Patents).

(c) The provisions of this Section 5 shall survive the termination of this Agreement or the completion of Advisory Services under this Agreement.

6. **Patents.** To the extent that any Deliverable or other invention created solely or jointly by Advisor in connection with the Advisory Services (whether or not reduced to writing or other tangible form) may be patentable, neither Client nor Advisor will take any steps to file and prosecute any applications for patents for such Deliverable or other invention in the United States or elsewhere. The provisions of this Section 6 shall survive the termination of this Agreement or the completion of Advisory Services.

7. **Warranties.** (a) Advisor makes the following ongoing representations and warranties as may be applicable to the Advisory Services: (i) it has the right and authorization to enter into this Agreement and its performance of this Agreement will not violate the terms of any contract, obligation, law, regulation or ordinance to which it is subject; (ii) no claim, lien, or action exists or is threatened against Advisor that would interfere with Client's rights under this Agreement; (iii) Advisory Services performed by Advisor will be of reasonable professional standards and quality; (iv) to Advisor's knowledge, Deliverables and Advisory Services do not infringe any privacy, publicity, reputation or intellectual property right of a third party; and (v) all authors have agreed not to assert their moral rights (personal rights associated with authorship of a work under applicable law) in the Deliverables, to the extent permitted by law. If Deliverables or the Advisory Services do not comply with the warranties in this Agreement, Advisor will repair or replace Deliverables or re-perform Advisory Services, without charge and in a timely manner.

(b) Client makes the following ongoing representations and warranties: (i) it has the right and authorization to enter into this Agreement and its performance of this Agreement will not violate the terms of any contract, obligation, law, regulation or ordinance to which it is subject; (ii) no claim, lien, or action exists or is threatened against Client that would interfere with Advisor's rights under this Agreement; (iii) the person executing and delivering this Agreement on behalf of Client has all necessary power and authority to legally bind the Client to the terms and conditions of this Agreement.

(c) The provisions of this Section 7 shall survive the termination of this Agreement or the completion of Advisory Services under this Agreement.

8. **Liability.** IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT, INCIDENTAL OR PUNITIVE DAMAGES, LOST PROFITS, OR FOR ANY CLAIM OR DEMAND MADE BY ANY THIRD PARTY, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. The provisions of this Section 8 shall survive the termination of this Agreement or the completion of the Advisory Services under this Agreement.

9. **Entire Agreement; Modification; Severability.** Each Party acknowledges that it has not been induced to enter into this Agreement by any representations or statements, oral or written, not expressly contained in this Agreement or expressly incorporated by reference. This Agreement constitutes the entire agreement between the parties with respect to its subject matter and supersedes any prior written or verbal agreement between the Parties with respect to such subject matter. Any amendments to this Agreement must be in writing and executed by the party against whom such provision is to be enforced. If any provision of this Agreement is held by a court of competent jurisdiction to be contrary to law, such provision shall be changed and interpreted so as to best accomplish the objectives of the original provision to the fullest extent allowed by law and the remaining provisions of this Agreement shall remain in full force and effect.

10. **Assignment.** Neither party may assign its rights or delegate its obligations under this Agreement without the other party's prior written consent, except to the surviving entity in a merger or consolidation in which it participates or to a purchaser of all or substantially all of its assets, so long as such surviving entity or purchaser shall expressly assume in writing the performance of all of the terms of this Agreement. Notwithstanding the

preceding sentence, Client shall have the right to assign its rights and obligations under this Agreement to an entity (including a foundation) for the purpose of making the Deliverables available to the public.

11. **No Third Party Rights.** All rights and obligations of the parties are personal to them. This Agreement is not intended to benefit, nor shall it be deemed to give rise to, any rights in any third party.

12. **Governing Law; Venue.** This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without regard to its conflicts of laws principles. Any litigation relating to this Agreement shall be conducted exclusively in state or federal courts in New York, New York, and the parties consent to jurisdiction by such courts. The prevailing party in any proceeding (including, without limitation, arbitration or litigation) shall be entitled to recover all reasonable expenses of the proceeding or any appeal, including attorneys' fees.

13. **No Waiver.** A party's failure to require performance by the other party of any provision of this Agreement shall not affect the right to require full performance at any later time, nor shall the waiver by either party of a breach of any provision of this Agreement be taken or held to be a waiver of the provision itself.

14. **Execution and Delivery.** This Agreement may be executed in two or more counterparts, each of which constitutes an original, but all of which together constitute one and the same instrument. This Agreement (and any amendment) may be delivered by exchange of electronic signatures of the parties transmitted by facsimile, electronic mailing of portable data files or a recognized digital transaction platform, and any such delivery shall have the same effect as delivery of originally executed signatures.

EXHIBIT A

Compensation

As full compensation for the Advisory Services, Client shall pay Advisor cash compensation and tokens as follows:

1. Total Compensation and Expenses. Client shall pay Advisor \$32,000 monthly for Advisory Services. The monthly compensation shall be paid by Client \$16,000 in cash and \$16,000 in deferred compensation, consisting of Client Tokens (as defined in Section 3.a of this Exhibit A) valued at \$16,000 on the date of issuance at the Token Genesis Event (as defined in Section 3.a of this Exhibit A). Upon prior Client approval, Client shall reimburse Advisor for expenses incurred in the completion of Advisory Services. Advisor shall invoice Client for the Advisory Services and expenses monthly. The cash amount of each invoice shall be payable upon receipt and shall be paid in full monthly. The token compensation amount of each invoice shall be paid as provided in Section 3 of this Exhibit A. Notwithstanding the foregoing, if Client terminates this Agreement without cause prior to the completion of Advisory Services and Deliverables sufficient to permit Client to issue tokens, the final invoice shall be issued 100% for cash and, at the election of Advisor in its sole discretion, shall include an adjustment which converts all prior amounts invoiced as Client Tokens and the Client Tokens granted under Section 3.b of this Exhibit A into cash compensation.
2. Retainer. Client has paid Advisor a \$14,400 retainer (“**Retainer**”). The Parties have agreed that the Retainer shall be reduced to zero by the Advisor applying a credit, in the amount of \$1,200, to each monthly invoice issued after the Effective Date. Any balance of the Retainer remaining unpaid upon termination of this Agreement shall be applied to Client’s final invoice. If the amount of the final invoice is less than the remaining balance of the Retainer, such balance shall be returned to Client. If the amount of the final invoice is greater than the remaining balance of the Retainer, such balance shall be retained by Advisor and the difference between the invoice amount and the Retainer balance shall be paid by Client to Advisor upon receipt of the final invoice. The final invoice may, at the election of Advisor in its sole discretion, include the adjustment provided in Section 1 of this Exhibit A.
3. Deferred Token Compensation.
 - a. Client proposes to sell its ERC20-compliant tokens issued using the Ethereum network (“**Client Tokens**”) through a token sale (the “**Token Genesis Event**”). At the Token Genesis Event, Client shall allocate Client Tokens to Advisor (or Principal) at no charge and in an amount equal to the Client Tokens earned by Advisor under Section 1 of this Exhibit A plus the Client Tokens granted to Advisor under Section 3.b of this Exhibit A (collectively the “**Advisor Tokens**”).
 - b. As of the Effective Date, Client hereby grants to Advisor tokens, valued at \$75,000 when issued at the Token Genesis Event, in consideration of Advisory Services performed prior to the Effective Date.
 - c. Ownership of the Advisor Tokens shall be unlocked and fully vested without any restrictions on transfer when they are issued at the Token Genesis Event, other than a lock up period which is the same as the lock up period (if any) imposed on the Client’s founders. Advisor shall notify Client in writing of the Ethereum address to which the Advisor Tokens shall be sent. Client shall have no right, title or interest whatsoever in the Advisor Tokens.
